**Ranking list and result of the special recruitment to the Doctoral School of ILT&SR PAS
at the Division of Biomedical Physicochemistry for a Doctoral Student - Scholarship Holder
(contractor) (M/F)**

in the OPUS-28 research project (NCN) (physical sciences, chemical sciences)

entitled "High-sensitivity optical manometers based on luminescence kinetics"
(2024/55/B/ST5/01411)

Ranking position	First name and surname	Number of points obtained
1.	Sakshi Desai	15.67

The Recruitment Committee has set the minimum number of points required for admission to the Doctoral School of ILT&SR PAS at 14.4.

The Recruitment Committee determined that Sakshi Desai, candidate 1 on the ranking list, obtained 15.67 admission points. As she/he obtained more points than the minimum required, the Committee decided to recommend to the Head of the Doctoral School of ILT&SR PAS that the following be entered on the list of doctoral students:

1. Sakshi Desai as a doctoral student – scholarship holder (contractor) in the above-mentioned project.

Chair of the Recruitment Committee
